

The Sunshine Coast Private Hospital **EXPERIENCE** 9 August 2017

at Buderim

UnitingCare Health

Invitation to Sunshine Coast and Gympie Year 10, 11 & 12 Students!

The Sunshine Coast Private Hospital is The Coast's largest private hospital, and was recently rated in the top 1% of Australian hospitals.

As a not-for-profit facility, we are creating a hospital that uses leading edge technology and is staffed by leaders in a wide range of services including:

Intensive Care, Cardiovascular, Vascular, Obstetrics and Gynaecology, General Surgery, Urology and Urodynamics, Cancer Care, General Medicine, Renal and Respiratory Services, Endocrinology, Mental Health, Plastic and Cosmetic Surgery, Ear Nose and Throat, Orthopaedic, Oral and Maxillofacial Rehabilitation, Endoscopic Services, and more.

Are you considering a career in health?

Join us on **9 August 2017** to experience the health industry!

Only 60 places available – 9 August 2017

Registration closes **23 June 2017**

2017 is the eleventh year that The Sunshine Coast Private Hospital located in Buderim has invited Sunshine Coast high school students to learn about careers in the private health sector.

There are two session times: morning or afternoon.

The students will have the chance to gain a broader understanding of the acute health care. This is gained by their involvement in, hands on workshops involving clinical scenarios, information sessions, touring the hospital and visiting a variety of areas, interacting with student and registered health professionals. Each of the tours on the day are hosted by the team of friendly educators.

If you would like further information, please contact a North Coast Region, School To Work Officer on 1300 369 935
