

# Positive Behaviours for Learning for all students

We are well into term 1 and for the most part year 7 students have successfully transitioned into high school. The biggest change for year 7's is familiarising themselves with what is expected of them in their new environment. For other students it is getting back into school routines after a lengthy school holiday. One of our key documents is Beerwah Basics which clearly sets out expectations for each lesson.

## BEERWAH BASICS – Classroom expectations

### Are you ready to learn? Every day every class

Punctuality - be on time and line up quietly outside classroom

Have learning equipment ready

Greet your teacher politely  
Raise hand when asking and /or answering a question

Follow teacher instructions - get on with learning goals and activities.

Use Technology appropriately and with teacher permission  
*(Otherwise mobile phone is turned off and earphones are away and out of sight)*

Hats off inside the classroom and follow all uniform guidelines

Sit in your seating plan & report any damage

Exit classroom when teacher dismisses students and ensure room is left tidy
