## International Study Tours

Beerwah State High School is recruiting short term homestay families for students in their International Study Tour Program.

Host families can be an **individual, couple or family** preferably located within the school catchment area, with easy access to public transport.

**Being a homestay host can be a very rewarding experience where cultures are exchanged and lifelong friendships are often established.**

**Host families receive a one-off or fortnightly tax free payment** which covers the cost of student's meals, accommodation and access to all amenities.
