## 2020 STATIONERY LIST

All students need to come to school prepared to learn. This means that every day they should attend with a school bag that is large enough to carry their required books and a fully stocked pencil case. Please read the stationery requirements list below for **each** of the subjects your child is taking. It is recommended that all students should have a pencil case that is large enough to house their phone so that the student can bring this safely into class with them but keep it out of the way so they are not tempted to play with it.
