

Starting this week all our classes will be online, I know everyone that joined last week have said they are happy to do their classes this way until we can resume back to our normal venues, for those who have not tried I would love for you to log in and see if you enjoy them as much as our other students, all classes are still covered by the NDIS and anyone that does not use their NDIS to pay for classes please talk to me if the issues that are happening in the world have put you in a situation that may make the classes a stretch financially. If you do a class and find out they just don't work then you just need to let me know and you will not be billed. If you love them and want us to offer classes over the holidays to keep people busy then we can do this also. We will be doing classes every day this week as follows and as long as we have 4 people in the class no classes will be cancelled. I will contact anyone that I have not spoken to previously to see if you would like to be part of this classes listed below. If you would like to be part of one of these online classes if you are a current enrolled student or just someone that needs something to do please contact me so I can send you the link to our zoom classes, every student is welcome into any and all classes.
