

BEERWAH STATE HIGH SCHOOL

Year 12 Mock Exam Timetable – Term 3, Week 9 & 10 2020

Student Expectations:

All students must adhere to school's assessment procedures, outlined in the Assessment Policy.

Attendance:

- In **Week 9** all students will attend their normal timetabled lesson, unless they have a scheduled exam. Students with scheduled exams will only attend school during their exam session and do not attend their normal classes for the day.
- In **Week 10** students who are studying **4 or more General subjects** will only attend school when they have a scheduled mock exam as per below.
- Students who are studying a combination of General, Applied and Vocational Education and Training (VET) subjects will attend school in **Week 10** as per their normal timetable. However, if students have a mock exam for their General subject, they will attend the mock exam only on the specified day as per the exam timetable and do not attend their normal classes for the day.
- Students are to arrive at least 10 minutes prior to the commencement of their exam. The time indicated on the schedule is the *commencement* (start) of working time.

Assessment submission for students studying a combination of General, Applied and VET subjects:

- Students who study a combination of General, Applied and VET subject/s are to negotiate with their teacher and/or Head of Department any assessment/s for Applied and/or VET that are due on the same day that they have a mock exam.
- Students who participate in external courses/apprenticeships/traineeships must make arrangements to attend the scheduled mock exams at school. Notify your trainer/employer, the Head of Department of Senior School and Mrs Bradley.
