COURSE INFORMATION

AHC20416 Certificate II in Horticulture

VET IN SCHOOLS (VETiS) PROGRAM

Kick start your career in Horticulture.

The Certificate II in Horticulture will teach you the fundamentals of planting and maintaining trees, shrubs and plants, along with recognising plants, preparing plant specimens, testing soil and treating weeds, pests and diseases.

Successful completion of this course will qualify you to work as a horticultural assistant, or garden or nursery labourer as well as giving you the option to undertake further studies in Horticulture and related fields.

This course is delivered by industry experts and will give you the fundamental horticulture skills you'll need to succeed in the industry.

If you want a course that will provide you the best start to your career in Horticulture, this qualification may be for you!

Contact us on (07) 5334 9922 or training@looknowtraining.edu.au for any questions or to sign up.

Entry Requirements

Prior to enrolling your proficiency in language, literacy and numeracy will be assessed to determine any support requirements.

The program is open to all school students.

It is the students responsibility to get to and from the training venue.

Delivery Method

This qualification is delivered via a combination of online and classroom based sessions. Students will attend a full day session each week at school, followed by online assessments.

Learning resources are available electronically or paper-based depending on student requirements.

Course Price

Training provided fee-free for eligible VETiS funded students.

VETiS Funding Eligibility Criteria

To be eligible to enrol in the VET in Schools (VETiS) program, you must:

- Be enrolled at school (Year 10, 11 or 12)
- Be a Queensland resident
- Be an Australian or New Zealand Citizen, or Australian permanent resident, or a temporary resident with the necessary visa and work permits on the pathway to permanent residency.
- Have not already utilised Certificate II VETiS funding – Queensland State Government VETiS funding is only available for one Certificate II qualification for each student.
